

# Lock-Chain Combination GRANIT 58 12KS Black Loop

Art. no. 32870

Page 1 of 2

## Technology

- 12 mm strong loop chain with fabric sleeve to prevent damage to the motorbike's paintwork
- Double bolted 16 mm shackle (18 mm coating) in the lock body
- The chain, the lock body as well as supporting elements of the locking mechanism are made of special hardened steel
- ABUS X Plus cylinder for high protection against manipulations, e.g. picking
- Two keys are supplied with the lock, one LED torch key
- Manually operated keyhole cover against dirt and corrosion
- ABUS Code Card for additional or replacement key

## Operation and use

- Very good protection at high theft risk
- Recommended for securing valuable motorbikes

## Tips

- This lock can be ordered keyed alike to other locks. This means several locks would match one key, respectively key code
- Two in one lock that means that the U-Shackle lock can also be used without the chain
- Ideal for use on quad bikes and ATVs (Fixation to the axle)

Perfekter Schutz für's ATV/Quad
